

WMGA Meeting Minutes
June 23, 2018

A special meeting of the members was called at the conclusion of the Member – Guest tournament. Bob Creager informed the members that Vince Serio had been appointed to replace Jim Moffit as Recording Secretary. Bob explained that the WMGA bylaws provide that a board member appointed by the President has no voting rights unless the membership votes to grant such rights. An oral vote to grant voting rights to the new recording secretary was requested and was unanimously approved by the members.
