

The Woods

The WMGA (Woods Men's Golf Association) Board welcomes all members. Although 2020 was challenging for everyone, our ability to continue to play golf was a silver lining to the year. We expect the WMGA 2021 to be even busier with 15 tournaments. These are fun tournaments for ALL skill levels, regardless of your playing ability or handicap

Your Class A Membership entitles you to be a member of the WMGA and participate in golf as well as other social activities organized by the WMGA. Additional activities like; weekend golf (The Woodsman), Thursday golf (The Thursday Golf League), Match Play, and tournaments that are co-sponsored by the WWGA (Woods Women's Golf Association).

Different formats for each event make for a fun time for all. Please check our website (www.thewmga.org) for information on the full schedule of WMGA events and to direct questions to the board.

You will find the full tournament schedule for the 2021 year including those co-sponsored by the WWGA. Please also consider joining the Thursday Golf League (thursdaygolf.thewmga.org) and our Match Play events.

Please feel free to contact me to set up an appointment for a personal tour, orientation of procedures and to better understand the many outstanding golf opportunities here at your club. I am open to suggestions and new ideas that will continue to grow the game of golf as well as make it even more enjoyable.

We are proud of The Woods Men's Golf Association and the many perks provided to its members, including free instructional clinics as well as help with golf etiquette and rules. www.thewoods.com

Your Pro, Ron

Tee up the fun by joining The Woods Men's Golf Association (WMGA)!

The WMGA is responsible for a Men's Golf program at The Woods that includes tournaments, league and weekend play, and a season long individual match play ladder tournament. The season begins in April and runs through October.

The WMGA works with The Woods Club and The Woods Women's Golf Association (WWGA) to coordinate a fun and exciting tournament schedule that generally features a woman's event, a mixed event each month.

Separate from the robust tournament schedule, the WMGA also sponsors league play on Thursdays that features daily and year-long competitions in a variety of formats. Each weekend and most holiday weekends we sponsor pick-up games in a variety of team and individual formats. Each year we sponsor a season long ladder tournament for individual golfers in single elimination match play format.

With the exception of the championship tournaments all competitions are played in a handicap format so all players have an equal opportunity to win.

Membership in the golf association is open to all The Woods Class A Members with a handicap index from a recognized handicap association. The Woods is a member of the WV Golf Association which maintains state-wide handicaps through the Golf Handicap Information Network (GHIN), a fee based service in support of golf clubs worldwide. This annual fee is charged to Class A members automatically in Feb before the start of the playing season.

Typically, once you join the WMGA you will get email notifications for upcoming events. Take a moment and browse through the rest of our website for more detailed information on all of our activities including entrance fees and how to sign up to play.
