

**WMGA General and Executive Meeting Minutes  
October 2, 2021**

Following the Member – Member tournament, the WMGA general meeting was held. The members were advised that the current board had proposed the following changes for the 2022 golf season:

- Advertisers will be solicited for WMGA tournaments. One has already bought in and a sign was posted on the 9<sup>th</sup> tee box.
- The club championship will be played from the white tees to increase participation in this championship tournament. There will also be non-championship flights from both the white and green tees.
- The WMGA annual dues will be increased from the current \$35 to \$45. This will permit the board to:
  - Small trophies to each winner of WMGA tournaments (in addition to the normal cash awards that are based on participation);
  - Possibly provide one additional meal at the championship tournament;
  - Align the WMGA and WWGA dues.
- Add a Woods Cup tournament with participation based on points earned in regular WMGA tournaments throughout the year.
