Woods Cup

The budget for the Woods cup is set at \$1,800 based on the \$600 previously collected from sponsors and the \$10 increase in WMGA dues, presuming the same level of membership from last year. The trophy for the Woods Cup has been procured and paid. As we move through the season with additional sponsorships and have a better sense of our finances, additional funds may be allotted to cover food, prizes and, *if we can afford it*, cart fees for participants and cart fees for the 2023 tournaments for the Woods Cup winner.

Treasurer's Report

We closed out the 2021 season with a balance of \$1,988.11 and 122 paid up members. Twenty seven members have already signed up for the 2022 season. There is a current balance of 3,435.70 in the account.

Thursday Men's Golf

The TMG has a balance of \$1,700 in its account. Nine members have signed up and paid their \$40 dues for 2022.

New Business

In an effort to increase participation and in consideration of the changing demographics at The Woods, a motion was made and seconded to set the age limit for the Senior Championship at 65. The age for the Super Senior championship will remain at 75. The Senior tournament will be played from the white tee and the Super Senior from the greens. The motion passed with no dissensions.

There was a discussion about how the board could do more to invite new class A homeowners to join the WMGA and participate in tournaments. This could entail informal mentoring, letters to new owners shortly after arrival, etc. Ron pointed out that the pro shop has been and should be the primary point of contact for new owners, especially for any golf instructions.

The meeting adjourned at 3:45 p.m.
