**Charity Tournament**

The committee, led by Pete Mulford, has made good progress planning for the June 13 tournament in support of the Berkeley County BackPack Program. For the first time, this tournament will be open to the public. We have commitments for food during and after the tournament and will have at least one car sponsored by CMA for the Hole in One contest. Volunteers are lined up to handle the food and registration. BackPack folks are producing the flyers and entry forms and will handle all mailings. Radio and newspaper announcements will be made in the near future.

**Woods Cup**

A total of \$1,700 in donations is currently available for the Woods Cup. Funds remaining in the treasury at the end of the 2022 season above the \$1,200 budgeted to carry over to 2023 will be used to supplement those funds for prize monies, food/beverages, and possibly cart fees for 2023 tournaments for tournament winners.

**Treasurer's Report**

We currently have \$4,582.72 in the WMGA budget. The cost for 2022 trophies has already been paid and are in hand. The \$1,700 in donations for the Woods Cup is in addition to the aforementioned total. There is a total of 74 members who have paid their dues for 2022.

**Thursday Men's Golf**

The TMG has a total of 50 paid members and a balance of \$5,047 in their account. A Finance Committee is being formed to plan and control expenditures for 2022. This year, TMG will be using 90% of handicaps with a cap of 32.

**New Business**

Ron announced that The Woods will be running a WVGA First Tee program for children aged 5 through 15. Greg Tanner will be leading this program and will be looking for help from members.

The meeting adjourned at 3:25 p.m.
